

What's been happening in
school this week?

Issue 325

The Harry Gosling Herald

I hope you have all now collected your end of year report and are feeling very proud of your achievements this year. It was an absolute joy to read all about the amazing progress everyone has made. This progress is a result of children's hard work, and the adults who support them—teachers, teaching assistants, admin, catering and premises staff and of course, parents. What amazing teamwork! Thank you to you all.

This year's results show, yet again, how we continue to help children reach their potential and, as a school, go from strength to strength. These are the provisional results so far:

WHAT ARE YOU READING THIS WEEK?

Yuhannis in Blue Class has been reading '100 Facts about Deadly Creatures' by Miles Kelly. "This is a non-fiction book, which is great to learn new information about sea creatures. Did you know that sharks don't have any bones? Instead they have a skeleton made of cartilage. This is light and flexible like the tip of our noses! How fascinating is that! I can't wait to learn more new facts about other sea creatures. I never knew there were so many!"
