

The Harry Gosling Herald

It's been a very busy beginning to our term, and lots of classes have been out and about. Last week Year 1 found out about what lives under the sea when they visited the London Aquarium. This week Year 2 visited St Paul's cathedral to find out more about this amazing building and why it is a special place for Christians. Year 6 visited Clare College, part of one of the top universities in the country, Cambridge University. They found out what it is like to be a student there.

Over the holiday lots of families worked together on the latest Family Homework Challenge. Here are just a few of the wonderful examples of the work completed. Our Homework Champions will be rewarded with a bounce on the new bouncy castle! Congratulations to all our champions!

Best wishes, Jennie

'The books we recommend ...'

This week Safaa in Crimson class recommends 'Knitbone Pepper and the Last Circus Tiger' "Knitbone Pepper and the Last Circus Tiger' is an interesting, thrilling and exciting book. The story starts with Winnie and her amazing ghost pets which are called Beloveds. Winnie's dad Lord Pepper had made their house into a hat world. Every room was filled with hats wherever you looked.

I would recommend this to people aged 9 - 10 because it is mysterious. In my opinion I think it is the most interesting book ever!"
