'The books we recommend ...'

This week Zakiyyah in Turquoise class recommends 'Strange Star' by Emma Carroll. It's about a servant boy names Felix and it is set during 1816. One night, there is a constant pounding at the door. When Felix opens it, he finds a girl lying at his doorstep. The girl is desperate to tell her story of why she has come to them. Be prepared for an eye-opening story! I liked it because it's very thrilling and suspenseful. I recommend this book to people who are 8+ and who like suspense and shocking stories. My favourite thing about the author is that she writes historical fiction. I hope you enjoy time-travelling back to the 19th century and reading this story as much as I did.'
