

Harry Gosling Newsletter

Friday 22nd March 2024

A great week at Harry Gosling as always. We started the week with our assembly on keeping safe, reminding children how to stay safe and to always speak to a trusted adult. Year 2 went on a local area trip to support their learning in Science. Year 5 and 6 had an online visit from an author as we continue to talk about the importance of books and reading, even after World Book Day. Today our Year 3 had an amazing time at the National Gallery seeing all the wonderful famous paintings that we have seen in Katie's Picture Show. We were very excited to see Van Gogh's Sunflowers in real life but our favourite was Henri Rousseau's Tropical Jungle. Year 3 observed what they could see in the painting and did some wonderful sketches in their art books! We also had our book fair and saw lots of parents so that was wonderful to see. Next week, our values assembly will be on Thursday to allow us to celebrate our shining stars of the week, before the holidays. Hoping you all have a wonderful weekend with your families and loved ones.

Last day of term

Thursday 28th March is our last day of term and school will close at 2pm.

Children must still attend school on this day - parents please do not see this as a holiday day.

Lessons will be taking place as usual, we will just be finishing slightly earlier!

As a reminder, our gates do close at 9am in the morning, you must make sure that children are in on time.. We usually end up with lots of children late and having to sign in from the office. This causes disruption to their learning - please be on time!
