

Harry Gosling Weekly News

Friday 19th April 2024

It has been wonderful seeing our school full of children and families again after the break. This week, we started the week talking about Racism and how we as children and adults in our school could ensure that our school is a happy and inclusive place for all. During the summer term, children will be spending some time during their PSHE lessons talking about racism, and more importantly how we as a school can be anti-racist and challenge racism if and when we see it. Our school is a wonderful place and we must continue to work towards it being an inclusive and happy place for all, where children are taught to be great citizens of the wider world. Good education continues at home and so I ask that all parents start having conversations at home with their children so that we, as a school community, can be strong in our vision to be anti-racist champions. Wishing you all a wonderful weekend with your families and loved ones.

SCHOOL GATES - TIMINGS

A reminder that our school gates close promptly at 9am and lessons start in school. A large number of children are often late in the morning which results in lost learning time. Being on time is also teaching children good habits for the future!

Mike is currently on holiday and having a well deserved break. He is off for the month and will be back Mid-May!
