WHAT ARE YOU READING THIS WEEK?

Thamina in Crimson Class has been reading

"The Alchemist" by Paulo Coelho.

This is an inspiring story about a young boy, Santiago, who has a dream about finding treasure and sets out on a journey. While in search for his treasure, he passes through new places, meets different people from all over the world, and learns new languages. He would not have been able to get all of those valuable experiences, if he had not followed his dream. It shows that sometimes our dream is closer than we think, but other times we must travel on life journeys and face difficult situations in order to find what we seek. It was a very exciting read because I wanted to find out if there really was any treasure at the end! "
