

What's been happening in
school this week?

Issue 269

Friday 3 February 2017

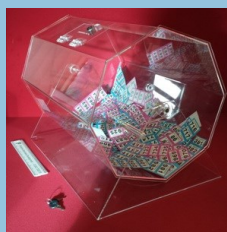

The Harry Gosling Herald

Thank you to everyone who made our Number Day today so successful. We have been raising money for the NSPCC (National Society for the Prevention of Cruelty to Children). Lots of children dressed up in a shape themed way. We held a competition for the best shape-themed cake/healthy snack, and everyone had the chance to do some really fun and exciting Maths investigations! Thank you, Aidan, for organising such a great day!

It was also exciting to find out which children have earned a raffle ticket this month for their STAR attendance!

There were 158 children whose tickets have gone into the raffle. I hope you have been thinking about how your family could spend their £200 pound prize. Congratulations to all the children whose tickets were put into the tombola! Don't be disappointed if you didn't make it this month. Just make sure that you are at school every day, on time, for the whole of February! Easy! Best wishes, Jennie

Don't forget:

*'Every time
our bell rings,
we step closer
to our dreams'*

Please make sure you are here at 8.55 a.m. to start the day at 9.00 am.

WHAT ARE YOU READING THIS WEEK?

Jess in Emerald Class has been reading

"1Q84" by Haruki Murakami. This book is set in Tokyo in Japan and is a story about magic in a normal world. It is quite a surreal story but it is very vivid and captures the imagination. I am also finding it interesting to read and gain an insight into another culture. Murakami is one of my favourite authors and he has written a great number of books. I can't stop reading this book and I can't wait to find out what happens at the end.!"
