

What's been happening in
school this week?

Issue 275

Friday 17 March 2017

The Harry Gosling Herald

Happy St. Patrick's Day to everyone from our Irish community. This week has been assessment week, and we have been finding out what progress we have made this term by taking all sorts of tests and assessments. Make sure your family has signed up to meet your teacher next week, so that they can hear about how you have been shining in everything you do and look at all your amazing work! We also held the auditions for our annual International Festival to be held on Thursday 6 April. It was fierce competition as lots of children have been practising acts, but who will be chosen???

Our Governors had a meeting this week. Our Governors are all volunteers who meet twice a term to find out what we have been doing in school, and help us to think about ways to get even better. This week Aidan told them all about how we learn Maths in school, and they discussed how we can improve more children's punctuality. They also discussed changes to the way money is shared out among schools and how that will affect our school. They have sent a letter to everyone about this.

It's that time of year again! Next Friday we will be joining schools and organisations across the country to raise money for people less fortunate than ourselves, by doing something funny for money! School Council have planned to sell £1 Red Noses after school next week (first come, first served). They have also arranged for everyone to come dressed in their pyjamas on Friday (£1 each) and to bring in healthy red food for your class! Best wishes Jennie

Ropna, our Attendance and Welfare Advisor (AWA) from Tower Hamlets, will be talking about ways to help you and your family organise yourselves in the morning. There will be a free alarm clock for everyone who attends!

WHAT ARE YOU READING THIS WEEK?

Kerry has been reading 'The Nix' by Nathan Hill. It is about a struggling writer called Samuel. He has to find inspiration for a book he has promised to write for a publisher, but just can't think of any ideas. Just as he is about to give up, he discovers that his mother is at the centre of a huge news story! He hasn't seen his mum for some time, so he promises the publisher that he will get back in touch with her to write a gripping novel about her life and recent actions. I love this book. I can't put it down! It is funny but also written beautifully, which makes it a pleasure to read."
