

What's been happening in
school this week?

Issue 286

Friday 23 June 2017

The Harry Gosling Herald

This week we welcomed back some of our Year 6 pupils who spent 5 days in Hautbois, Norfolk last week. They had a fantastic time! They explored the Norfolk coastline and countryside, and showed great resilience, courage and determination as they took on all sorts of outdoor challenges—rope walking, archery, climbing, and kayaking to name but a few!

The remaining Year 6 children worked with an artist from Bow Arts. They looked closely at our local area, and used the images they collected to design four flags for our school. Look out in the weeks to come when they will appear in our school playground. We are so proud of all our Year 6 children.

Best wishes, Jennie
