# The Harry Gosling Herald

You are receiving this week's newsletter on Thursday instead of Friday because tomorrow we will be busy enjoying our summer fete! I hope you have all now collected your end of year report, and are feeling very proud of your achievements this year. It was an absolute joy to read all about the amazing progress everyone has made. This progress is a result of children's hard work, and the adults who support them—teachers, teaching assistants, admin, catering and premises staff and, of course, parents. What amazing teamwork! Thank you to you all.

This year's results show, yet again, how we continue to help children reach their potential and, as a school, go from strength to strength. These are the provisional results so far:

## WHAT ARE YOU READING THIS WEEK?

James has been reading....'FOOLS DIE' by **Mario Puzo**. This book is about the lives of brothers 'Artie and Merlin'. Merlin narrates the story of his life and all the other characters in the book. The story starts with the two brothers being brought up in an orphanage with Merlin believing he is magical because he has the same name as the magician! Merlin feels he is always second best to his brother Artie and is sometimes mean to him because of this. When they leave the orphanage the brothers have very different lives. Along the way Merlin describes all of the many different people and circumstances he has an impact on. I can't wait to read how the book finishes as I am nearly at the end!
