

The Harry Gosling Herald

One of our school's aims this year has been to increase the number of clubs for all children at lunchtimes and after school. This year we have welcomed our super sports coach Julian who works with lots of classes in the school. He also runs two lunchtime clubs daily and an after school club every day. These include Yoga, Football, Cricket and Team night. Our wonderful TA's also run lunchtime clubs in our new 'Clubhouse'. These include Computing, Storytime, Chess and Art clubs. Our friend Paola runs Gymnastics Club on Friday lunchtimes, Claire runs Music clubs and we also have two 'Attlee' club nights each week. And, of course, every day we offer a healthy, fun start to the day at Breakfast Club. Full details are on our website. Thank you to Rachel and Miriam for organising these clubs each term!

Best wishes, Jennie

Improving our health at Harry Gosling

Research shows that sadly the percentage of children who are overweight in Tower Hamlets is much higher than national averages. If your family has concerns about weight, or simply would like ideas to make your lifestyle even healthier, there is a course running in school that will really help.

It's called 'MEND'. MEND stands for **Mind, Exercise, Nutrition, Do it!** MEND is a FREE, fun and family based programme for 5-7 years olds and is delivered by registered dietitians, community nutritionists and physical activity specialists who provide nutritional advice alongside fun exercise games and activities. MEND 5-7 includes active play sessions and practical nutrition workshops designed to raise awareness of healthy lifestyle behaviours, improve self confidence and enhance physical and social development. Each session also includes chopping and tasting activities, giving children the chance to try a variety of fruits, vegetables and healthy foods. MEND is running on Mondays from 3.30pm to 5pm. It's great fun, so why not give it a try. There are still places available. Just speak to the office for more details.

WHAT ARE YOU READING THIS WEEK?

Layana from Jade Class, is reading 'The Song From Somewhere Else' by A.F. Harrold. It is a story about a small girl who always gets bullied by the boys in her class. Then she hears a song and sees a friendly ghost who says that the song is from somewhere else. I love this book - it has great adjectives for description. I recommend this book to confident readers.'
