

The Harry Gosling Herald

We have had a most marvellously mathematical week at Harry Gosling! Years 1, 2 and 5 have enjoyed some fantastic Maths workshops this week. Thank you to all the mums and dads who came along and joined in the fun! Today it was Number Day. Our '24 Challenge' assembly this morning was really exciting! What amazing mathematicians we have in this school! It was great today to see so many number-themed-clothes raising money for the NSPCC.

Best wishes,
Jennie

Don't forget:
*'Every time
our bell rings,
we step closer
to our dreams'*

Please make sure you are here at 8.55 a.m. to start the day at 9.00 am.

CAREERS DAY

Next Friday it is our Bell's Birthday! We will be celebrating by holding our annual Careers Day—a day when can all think about 'stepping closer to our dreams'. If you know someone who would like to come to school and talk about their job, there is still time to arrange this. Just leave a message for Anne or Elizabeth with the office.

GOVERNORS

Yesterday evening our Governors met and heard presentations from Ashley and Joe about English and Maths, and from Emma and Miriam about children's behaviour, attendance and wellbeing. Thank you to all our Governors for their hard work and support of the school.

Make sure you keep coming every day *on time* ! Will you win a ticket for our £200 STAR Attenders prize?

WHAT ARE YOU READING THIS WEEK?

Sabrin from Crimson Class, is reading 'Women in Science'.

"I like it because it is really engaging for the reader due to the fact it is really inspiring.

Another reason is because it is really interesting. It is about 50 fearless pioneers (women) who fought for the rights of women.

I would recommend it to people who are struggling to choose a job to do for when they are older because it will give them ideas."

HOUSE POINTS

Which house will be the winning team this half term?

Everest 4,527	Kilimanjaro 3,728
Snowdon 4,321	Ben Nevis 3,830

PARENT & FAMILY INFORMATION

Next week has a distinctly mathematical theme! The following Maths workshops are taking place:

Tuesday—Year 4

Wednesday -Year 3

Thursday—Year 6

Please come along. You will have a chance to learn a lot of fun new Maths games to play as a family.

Next Tuesday's event about social housing has had to be postponed. We will let you know when both this discussion and the Minor Ailments session will take place.

Next Thursday it will be our Shining Stars assembly and on Friday it will be our Careers Day and our Bell's Birthday assembly. All welcome at 9.10 a.m.
