

The Harry Gosling Herald

Sport Relief money changes lives for the better. That's why so many people come together to fundraise for Sport Relief and that's why we're going to do our best to raise as much money as we can. This week we started our 'Run to Rwanda' Challenge. We're not literally

running to Rwanda (!), but our challenge is to run the 6500km that it would take to actually run there. That's like running from here to Shadwell station 7,000 times! We've chosen Rwanda as our destination because Rachel visited some schools there last summer and saw just how those schools need our help. These are the running tracks we are going to be using! We can run laps in PE lesson and at playtimes. There will be prizes along the way, but who will run the furthest?

To raise money this week we have sold wristbands, and today we all had a fantastic time dressed in kit from our favourite sports! Best wishes, Jennie

Don't forget:
*'Every time
our bell rings,
we step closer
to our dreams'*

Please make sure you are here at 8.55 a.m. to start the day at 9.00 am.

WHAT ARE YOU READING THIS WEEK?

Sohaib from Blue Class is reading "'Tragedy in London: Plague and Fire' by Richard Platt. "It's a great non-fiction book, which has lots of information about London in 1665. I learnt that over 300 years ago, there was an outbreak of a terrible disease called Plague. London was a very dangerous place to live in. I would recommend this book to my classmates, because in Year 2 we are learning about London."
