

The Harry Gosling Herald

What a wonderful time we all had last Friday at our World Cup-themed summer fete. We raised the record amount of £2424.05 with still a few more contributions to count! We will be announcing which classes raised the most money on their stall in Monday's Shining Stars assembly. A huge 'Thank you' to everyone for all their contributions. What a shining example of teamwork!

This week has been extremely busy! Lots of children have been out on trips, including some Year 6 children away on residential in Suffolk, Year 5 participating in our first ever 'Challenge Week' as well as class and school council trips. Other Year 6 children have been working with our artists to create a new piece of art for the foyer (look out for it in the new school year!). We also held a school council forum inviting school councils from Blue Gate Fields Junior, Bigland Green and Smithy Street schools to share all the work they have been doing in their schools. In addition to all that, it has been STEM week too, and there has been some amazing learning across the school on the theme of 'STEM in the natural world'!

Best wishes, Jennie

WHAT ARE YOU READING THIS WEEK?

Anisah in Sapphire Class is reading 'Scarlett' by Cathy Cassidy. It's about a girl, Scarlett, who has bad behaviour and is sent away to her dad's. She had gone to lots of different schools and her mum is fed up. Her mum and dad are not together. She has to try and settle with her dad's new wife and daughter. I like this book because Scarlett never gave up even though she was living with different family members and different schools. It would appeal to people who like Jacqueline Wilson.
