

Harry Gosling Weekly News

13th March 2020

What a sporty school we have! This week we have been getting involved with 'Sport Relief' to raise money for charity, learn how to play new sports and get fit at the same time. We have loved seeing all the children in their sporty clothes today. We also want to say a huge thank you to Janice for organising such a great range of activities for International Women's Week' last week. We hope you got involved and had fun!
