

# Harry Gosling Weekly News

## Friday 18th September 2020

It's the end of another successful week! Once again, we have been delighted by the way the community has worked together to stay safe and happy. As mentioned last week, we have been working with the council on getting the surrounding roads closed at the start and end of the day. We hope to have this finalised next week and will keep you informed. Have a wonderful weekend!
