

Harry Gosling Weekly News

Friday 25th September 2020

It has been another successful week at Harry Gosling! We opened the 'Shining Stars' book for the first time this year, so children who have been shining at school can have their achievements recorded. You will have noticed that the council has now closed Henriques St at the start and end of the day, to help keep us safe from traffic and give us room to 'social distance'. The Government Health and Safety Executive also checked the new measures we have in place and were pleased with everything that they found. Thank you to everyone for the part you have all played in this success. Have a great weekend! - Jennie and Emma
