

# Harry Gosling Weekly News

## Friday 13th November 2020

We've had a spotty 'Sportacular' in school today, with children dressing up and donating money for 'Children in Need'. What fantastic outfits and generous donations we've seen! Next week is Unity Week, so there will be even more learning than usual about how we can help to achieve a world full of diversity and equality. Ask your children what they 've learned—they'll be able to tell you so much - Jennie and Emma
