

# Harry Gosling Weekly News

## Thursday 17th December 2020

It has been a thrilling week of parties, a special lunch, great performances and a visit from Father Christmas! As we reach the end of 2020 we'd like to, once again, thank everyone for the way that our community has worked together to face the many challenges that came our way. The hard work, resilience and support shown has been very impressive and we would like to thank everyone for playing their part. We look forward to seeing you all on Tuesday 5th January, and wish you a happy and healthy holiday. - Jennie and Emma

You can join the project online for a programme of performances, events and workshops. Families can also take part in creative activities at home with activity packs.
