

# Harry Gosling Weekly News

## Friday 16th April 2021

Welcome back! We are now delighted to be able to offer lots more online parent support sessions—see the dates below for details and check your emails for information on how to sign up. Have a great weekend! - Jennie and Emma

### VALUES AWARDS

**Pink:** Adil - Responsibility - for always trying his best and working hard in every lesson.  
Lina - Responsibility - for doing a brilliant family homework project including an excellent Easter bonnet.  
**Green:** Yahya - Responsibility— for being independent in his learning and for asking for help when he needs it.  
Yunus Uddin - Excellence - for using phonic skills to write a sentence independently.  
**Blue:** Yusuf - Teamwork—for helping others brilliantly with maths learning  
Yahya - Equality - for being such a kind friend to everyone in Blue class.  
**Orange:** Rhiana - Excellence - for being resilient with her maths learning by trying different ways to solve a problem.  
Faiza - Excellence - for her growing independence with her learning and always trying her best  
**Purple:** Kashifah—Responsibility—for putting 100% effort in all her work.  
Alayna—Excellence—for good behaviour in class.  
**Lilac:** Ahad- Teamwork— for always listening to others and helping during groups tasks. He did this brilliantly during a group task in science this week.  
Saira- Responsibility— for always being sensible at lunchtimes and setting a brilliant example for others.  
**Scarlet:** Yaseen - Responsibility - for working independently on division.  
Nazifa - Excellence - for confidently using flexible partitioning when solving division problems.  
**Crimson:** Maryum - Excellence—for having a determined and hard-working attitude in maths.  
Saeed - Responsibility and Teamwork—for trying his best in lessons and encouraging other members of the class.  
**Emerald:** Yuhannis – Excellence – for sharing his excellent ideas and asking great questions about sound for our new science topic.  
Nabeelah - Excellence - for using mathematical vocabulary when explaining her answers in maths.  
**Jade:** Nihel - Excellence – for a fantastic start to learning in all subjects.  
Ayan – Responsibility – for improving his participation in talk partner work.  
**Turquoise:** Yusuf - Responsibility - for working independently and managing his distractions.  
Sasha - Responsibility - for excellent self-correction in maths.  
**Sapphire:** Aariz - Responsibility— for always contributing and being open to discussion in order to be more precise and relevant.  
Ibrahim - Excellence—for taking the time to understand long multiplication to work more accurately.
