

Harry Gosling Weekly News

Friday 8th October 2021

Our theme this year is 'The Road to Recovery', and we are all working hard to catch up on what has been missed over the past 18 months, as well as ensuring that we build on the many things that have gone well. Part of this includes making changes to the way that weekly homework is organised across the school. You will be receiving more details of this in a separate letter soon. Also, please see below for more details on Parent Conferences. - Jennie and Emma
