

Harry Gosling Weekly News

Friday 4th March 2022

Thank you for your ongoing patience with all the work on the roads and pavements that is underway in the area surrounding around the school. It will result in improvements to our local area, so it is worth the temporary inconvenience! Thank you also for the effort you put into the World Book Day costumes this year. The children had a lovely day and it was great to see so many creative outfits. Have a great weekend! - Jennie and Emma
