

Harry Gosling Weekly News

Friday 20th May 2022

It has been another great week at Harry Gosling and our preparations for Jubilee Day next week are well underway. It will be lovely to be able to welcome families into school for a big event! See below for more details—and a letter with even more information will be sent next week so look out for that. We can't wait to see the children's costumes and see what food they bring in to share for our picnics. Have a great weekend! — Jennie and Emma
